FOR MILLBURN BOARD OF EDUCATION

LISTEN. EDUCATE. DELIVER.

CHRISTIAN GERMA | ANNA OSTROVSKY | PRASOON SAURABH

Fresh perspectives. New ideas. Renewed energy.

We'll bring a new voice to the Board of Education, build on what works, and focus on what comes next for our students and schools. We are committed to building a district where every student is known, challenged, and supported — academically, socially, and emotionally.

MEET THE TEAM

CHRISTIAN GERMA

- Father of 4, with 3 MHS graduates and a current junior.
- Experienced board member and part-time CFO in biotech.
- Longtime community volunteer.

ANNA OSTROVSKY

- Mom to three young kids (7, 11, and 12).
- Leveraged finance professional; 10 years as MD at Goldman Sachs.
- School volunteer.
- Passionate about high-quality education, inspiring and rigorous pedagogy, and fostering independent thinking and a love of learning.

PRASOON SAURABH

- Father of a 4th grader and an 8th grader in our district.
- Leads analytics at HSBC with real-world experience in tech and AI.
- Committed to practical solutions, fiscal responsibility, and expanded opportunities for all students.

LISTENING TO OUR COMMUNITY.

EDUCATING OUR CHILDREN.

DELIVERING RESULTS.

THREE CANDIDATES. ONE TEAM. A STRONGER MILLBURN.

FIVE PRIORITIES.
A PLAN FOR ACTION.

Here's what we will work to move forward for our students, together.

ACADEMIC EXCELLENCE & FUTURE-READY LEARNING

Ensure rigorous, engaging learning for all students, with high expectations and the right support, while preparing students to thrive in an AI-enabled world.

OUR PLAN:

- Send assessments home so students can learn from their mistakes.
- Limit unnecessary screen time and prepare students for an AI-enabled world.
- Expand extracurricular opportunities — and fund them.
- Review grading and assessment policies based on evidence and outcomes.

FLEXIBLE PATHWAYS & PERSONALIZED OPPORTUNITIES

Improve academic pathways in middle and high school, and expand access to the right courses, experiences, and opportunities for every student.

OUR PLAN:

- Launch a review of middle-school pathways and access criteria.
- Remove unnecessary barriers to meet student needs ..at all levels.
- Expand flexible options, including independent learning and college-level opportunities.

SMART FINANCE & ACCOUNTABILITY

Make data-driven decisions, be responsible stewards of taxpayer dollars, and prioritize resources in the classroom.

OUR PLAN:

- Develop a data-driven strategy to understand and reverse our enrollment decline from our public schools.
- Put teachers at the center and make recruitment, retention, and support a priority.
- Direct resources toward the classroom and priorities that most improve students' opportunities.

STUDENT WELL-BEING & INCLUSION

Foster a culture of belonging, respect, and mental wellness so every student feels supported and can thrive.

OUR PLAN:

- Review pathways and placement criteria so they don't create unnecessary stress, especially for younger students.
- Reduce elementary class sizes.
- Reduce subscription busing fees to help reduce traffic and congestion.

TRANSPARENT GOVERNANCE & COMMUNITY PARTNERSHIP

Listen openly, communicate clearly, and work collaboratively to build trust and strengthen our school community.

OUR PLAN:

- Publish the data and information behind major decisions, and make budgets, spending, and their educational impact easier to understand.
- Present significant policy changes in advance and listen before deciding.
- Strengthen Board oversight and accountability while working collaboratively.

ELECTION DAY
TUESDAY, NOVEMBER 3, 2026

VOTE FOR THREE
Anna · Prasoon · Christian
